For further questions, please contact Bentley Hodges at 303-793-2139 or email californiawater@cobank.com

About CRWA:

Incorporated in 1990, California
Rural Water Association has
emerged as the state's leading
association dedicated to
providing on-site technical
assistance and specialized
training for rural water and
wastewater systems. Tapping
into the expertise of experienced
water and wastewater
professionals, CRWA's governing
Board of Directors, administrative
staff, and technical field
specialists work in concert to
offer CRWA members an

expansive range of essential programs and member services.

Whether a system needs help developing a new rate schedule, setting up proper testing methods, understanding those ever-changing and complex government regulations, preparing a Consumer Confidence Report (CCR), or updating operator certification requirements, California Rural Water Association is ready with assistance.

About CoBank:

CoBank is a cooperatively owned bank with more than \$125 billion in total assets. We provide loans, leases, export financing and other financial services to vital industries across rural America, including water and wastewater systems. Our experienced team of water banking professionals has a deep understanding of the opportunities and challenges facing your industry and an appreciation for your unique financing needs.
