ANNUAL WATER AND WASTEWATER OPERATOR OF THE YEAR

AWARD NOMINATION APPLICATION
This is your chance to brag about your system’s personnel! Do you have a water and/or wastewater operator who goes above and beyond to excel in their management of your water system? If so, we want to know about them and give them the recognition they deserve for being the best in the business! Each CRWA member system can submit one nomination in each field. Selection of winners will be based on a submitted example of how the nominee has contributed to the system’s operations and their commitment to the system and its constituents. Information on the nominee’s achievements both within and outside of the system as well as letters of recommendation will also be accepted for use in the selection process. This is a great way to honor your exemplary water and/or wastewater operator!

SYSTEM CRITERIA
Nominations are accepted from water and wastewater systems that are members of CRWA. The system may nominate one operator for each category (water and wastewater) or one operator for both categories. The system must be in compliance, or in the process of becoming compliant, due to the nominee’s efforts. A nomination can come from co-workers, management, boards or office staff.

NOMINATION CREDENTIALS
The nomination form below must be accompanied with:
• Proof of the nominee’s operator certification(s)
• Nominee’s job description(s)
• A brief narrative description of the nominee’s contributions to the system’s operations and commitment to the system (e.g., through letters of support from the system, SWRCB, community members, or board members), and an outline/description the nominee’s achievements.
• Contact names and numbers for follow-up research by CRWA

SELECTION PROCESS
The nomination form(s) and supporting documentation must be received by the CRWA office no later than March 29, 2020. CRWA management will select this year’s award recipients on the basis of the nomination materials received and processed. Award recipients will be notified on or before April 19, 2020.
