CREDENTIALS

To enter your water in the “**Best Tasting Water in California**” contest, bring a one-gallon, room temperature sample in a sanitized, glass container* to the Expo Registration Desk no later than 9:30 am on Tuesday, April 25, 2023. Make sure your system’s name is clearly labeled on the container; failure to meet any of the above mentioned requirements will disqualify your best-tasting contender.

SELECTION PROCESS

A panel of judges will sample the entries for clarity, bouquet, and taste. The early round of tasting will narrow down the competition to three finalist. The final round of the taste test will take place at the Rural Water Taste Test Luncheon on Tuesday, April 25, 2023. The finalist and the winner will be announced at the CRWA Awards Banquet, the evening of Tuesday, April 25, 2023. The winning system’s water can go on to represent California at the Great American Water Taste Test in Washington D.C. in February 2024!

Please fill out the section below and submit it to the CRWA Resource Development Department by April 21, 2023 or bring it to the Expo, along with your water sample. Please print clearly so we know whose name to announce at the Awards Banquet.
