I. Purpose of Request for Proposal

The purpose and intent of this Request for Proposal (RFP) is to enter into a contract with a professional provider of **Various Types** of services or products whereby in return for the endorsement of the California Rural Water Association, the provider agrees to provide a royalty to the Association and/or a discount value-added product or service to Association members. Once an agreement is entered, the professional provider will become an "Endorsed Affiliate" of the Association. See **Attachment I** for Endorsed Affiliate minimum requirements and guidelines.

Benefits of becoming an Endorsed Affiliate include use of Association's name "As Endorsed Affiliate", use of Association contact list, Recognition "As Endorsed Affiliate" in monthly e-news letter, link on Association website, and recognition as an Endorsed Affiliate.

II. Background

Incorporated in 1990, California Rural Water Association (CRWA) has emerged as the State's leading association dedicated to providing on-site technical assistance and specialized training for rural water and wastewater systems. Tapping into the expertise of experienced water and wastewater professionals, CRWA's governing Board of Directors, administrative staff, and technical field specialist work in concert to offer CRWA members an expansive range of essential programs and member services.

III. Definitions

The term "Prospect" shall refer to the entity submitting a proposal. The term "Affiliate" shall refer to the entity to which a contract has been awarded. The term "Association" shall refer to the California Rural Water Association. The acronym CRWA refers to California Rural Water Association.

IV. Statement of Needs

CRWA members often look to CRWA staff to provide advice on their purchasing decisions, both what resources are available and who provides them. Members look to CRWA as an avenue in identifying vendors. In addition to identifying vendors of a specific product and or service, members often seek help from CRWA in sorting through strengths and weaknesses of each of the vendors.

V. Proposal Preparation and Submission Requirements

A. General Requirements

1. In order to be considered for selection, Vendors and/or Service Providers must submit a complete response, including the

attached RFP Questionnaire, **Attachment II**, completed in full. Failure to submit all information requested may result in the Association requiring timely submission of missing information and/or giving a lowered evaluation of the proposal.

2. **One (1) original and three (3) copies of the proposal must be submitted** along with an electronic version in either Microsoft Word or as a PDF and must contain the full name and address of every Prospect who has an interest in the proposal. The RFP Form, included after the cover page of the RFP, must be signed and completed. The submission must be received no later than the stated deadline.
3. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages should be numbered. The proposal should contain a table of contents which cross-references the RFP requirements.
4. Ownership of all data, materials and documentation originated and prepared for the Association under this RFP shall belong exclusively to the Association. The RFP shall not be subject to public disclosure and will remain confidential to CRWA.

B. Specific Proposal Requirements

Proposals should be as thorough and detailed as possible so that the Association may properly evaluate the Prospect's capabilities to provide the required services. Prospects are required to submit the following items as a complete proposal:

1. The RFP Form signed as required.
2. A written statement including the following:
 - a. Qualifications – The Prospect shall provide background on their company and a statement of their qualifications to provide the requested products and/or services.
 - b. Capacity – The Prospect shall provide a statement on the capacity of the company to provide the requested products and/or services to water and wastewater utilities throughout California.
 - c. Experience – The Prospect shall provide information on their experience with the utility marketplace, emphasizing any experience with rural water and/or wastewater systems.

3. The attached RFP Questionnaire (**Attachment II**), completed in full.
4. Any applicable customer service policy and standards already in place.
5. A listing of any other agreements/partnerships with other companies or associations representing water/wastewater systems.
6. If available, a model benefits brochure explaining your products and/or services and any other applicable marketing collateral.
7. Three (3) written references applicable to the water/wastewater marketplace.
8. Financial statements of the Prospect's most recent annual and quarterly financials including any amendments, addendums, and supplementary materials; audited financials preferred.
9. Any additional information or facts the Prospect considers relevant to this RFP and would like to share with the Association.

VI. Review Process and Evaluation Criteria

A. Review Process

1. A CRWA review committee will review the proposal and provided information. An internal summary report will be generated by the committee, along with a recommendation for or against endorsement. An option for a presentation before the committee may be offered.
2. The CRWA review committee will review the summary report and discuss the recommendation. The committee will vote on whether to endorse the product/service or not.

B. Evaluation Criteria

The evaluation process will include, but is not limited to the following:

1. Demonstration that the Prospect has the experience, qualifications, and capacity to provide the requested product and/or service.

2. How well the product and/or service offered by the Prospect aligns with the requested product and/or service.
3. Additional services that the Prospect may be able to offer Association members.
4. References from relevant client types.
5. Proposed discount and value-added service(s) for CRWA Association members.
6. Royalty proposal (i.e.: fees paid to CRWA).
7. Prospect’s customer service policies and standards.
8. Presentation (if offered).

VII. Tentative Schedule of Events

CRWA Professionalism Services Standard

The California Rural Water Association is committed to a standard of professionalism in the services that it provides to all utilities served. CRWA staff participates in efforts to meet this commitment to achieve a high level of customer service.

Further, each employee is expected to uphold the CRWA commitment to "professionalism" which is understood to be an integral part of each employee's position. "Professionalism" shall include, but not be limited to, sharing expertise and assistance with other staff; working as a team player; maintaining a positive attitude; pitching in at time of crises; and providing to all clients the highest possible level of service. It is further understood that the attitude and manner with which an individual employee meets responsibilities is as important as meeting those responsibilities.

It is the guiding standard of the Association that CRWA has client -focused principles, expectations, and procedures to ensure that every interaction with any client whether member or nonmember are treated with courtesy and respect.

Client-focused Principles

- Client services must be number one priority.
- Clients and co-workers are important.
- Find positive and innovative solutions.
- Be sure commitments are met.
- Give firm estimates as to when something will be delivered or completed.
- If mistakes are made apologize sincerely and then work hard to make it right.

Client-focused Expectations

- Commitment to fulfilling the CRWA mission.
- Treat everyone with respect, courtesy, and professionalism.
- Follow-up on requests and promises is essential.
- Be friendly and helpful.
- Listen carefully to make sure the situation is understood and what the client wants is clear.
- If we do not have a solution, we will work diligently to find one.
- Keep clients informed of progress so they do not think they've been forgotten.
- Follow through to make sure clients are satisfied.
- Constantly look for ways to improve client services.
- Be a team player.
- Thank others for helping.
- Be sure timelines are met.

Client-focused Procedures

- Return all phone calls within 24 hours.
- Return all email messages within 48 hours, even if it is simply to acknowledge receipt of the message.
- Make sure written correspondence is responded to within 48 hours.
- If away from the office for an extended period make sure someone is available to help clients, if away from the office for an extended period change voicemail to inform clients and leave a way for them to reach a staff member for immediate assistance.
