To enter your water in the “**Best Tasting Water in California**” contest, bring a **one-gallon, room temperature sample in a sanitized glass container*** to the Expo Registration Desk no later than 9:30 am on Tuesday, April 29, 2025. Make sure your system’s name is clearly labeled on the container; failure to meet any of the above mentioned requirements will result in disqualifications of your best-tasting contender.

SELECTION PROCESS

A panel of judges will sample the entries based on clarity, bouquet, and taste. The initial round of tastings will narrow down the competition to three finalists. The final round of the taste test will take place at the Rural Water Taste Test Luncheon on Tuesday, April 29, 2025. The finalist and the winner will be announced at the CRWA Awards Banquet that evening. The winning system’s water will have the opportunity to represent California at the Great American Water Taste Test in Washington D.C. in February 2026!

Please complete the section below and submit it to the CRWA Resource Development Department by April 25, 2025, or bring it to the Expo along with your water sample. Please print clearly so we know whose name to announce at the Awards Banquet.
